1. After opening the box, please confirm the tile pattern, tile size and colour number etc. Pave the same types of product on the same part. Do not mix different products on one part (except for obtaining special decoration effect on purpose)

2. To create the best decoration effect, we should notice to array the tiles according its arraying stile, pay attention to the direction of pattern tiles, and clean ip the walls or floors before paving.

3. To pre-array the tiles, we should first make two vertical lines on the ground, and check the horizontal level with horizontal rule, check the vertical level with a weight.

4. To avoid surrounding because of the difference of ceramics heat swelling factors and concrete heat swelling factors, confirm the lines and keep ash slot according to the tile size: 3mm (for external wall tiles), 1,5mm (for interior wall tiles), 3-5mm (for floor tiles), 5-15mm (for imitating stone tiles).

5. In the process of tiles pacing, please use sticky slurry to fill the tiles slots and then slick its surface, especially for the external wall tiles, or use color fillings to fill them according to customers need.

6. To pave main wall corners, use proper doses of sticky slurry and level it. Keeping it at a thickness of about 1cm, and the put one piece of the tile on it, and gently hammer it with a aooden hammer to confirm the cohering and horizontal or vertical level of tiles surfaces and edges.

7. In the process of tiles paving, please often strike the tiles with the hammer handle to confirm its stickiness.

8. Please clean up the axcessive cement and other wastes on the paved tiles after on hour.

9. After twelve hours, check if there is surrounding parts under the paved tiles with a hammer, if there is, repave it.

10. Twenty four hours later, you can step and completely wash it with clean water and cleaning agent, then a beautiful tile decorated wall or floor will before you.

11. Do not use the tiles if you question the tiles qualities or feel unsatisfactory, and please contact with local dealers or our factory immediately.
